TITAN SPIRIT PAK - ORDER FORM

For any team sport to be successful the athletes must all work together and perform as one. The unity of all involved in a team sport is very important. To help develop unity across our Arcadia High School Football Program, Coach Ellison is requiring all of the athletes to wear the same clothing during practice. For that reason your booster association has developed the **Titan Spirit Pak.** The Titan Spirit Pak will include two short sleeve grey tee shirts, two pair of shorts and bag. Both the shirts and shorts will have a custom logo screen printed on them. The cost of the standard Titan Spirit Pak will be $95.00 (two shirts and two shorts) and will include the clothing mentioned above. Should you only want to order 1 pair of shorts and a shirt, the cost shall be $50.00. You may also purchase additional shirts and shorts. They can be ordered below and they will be distributed at the same time as the **Titan Spirit Paks** sometime in late June/July.
